ROYAL
COLLECTION

Such Master Pieces Are Not Created Everyday.

The oldest switch makers of India.

**PROUDLY
OLD-FASHIONED
SINCE 1935**

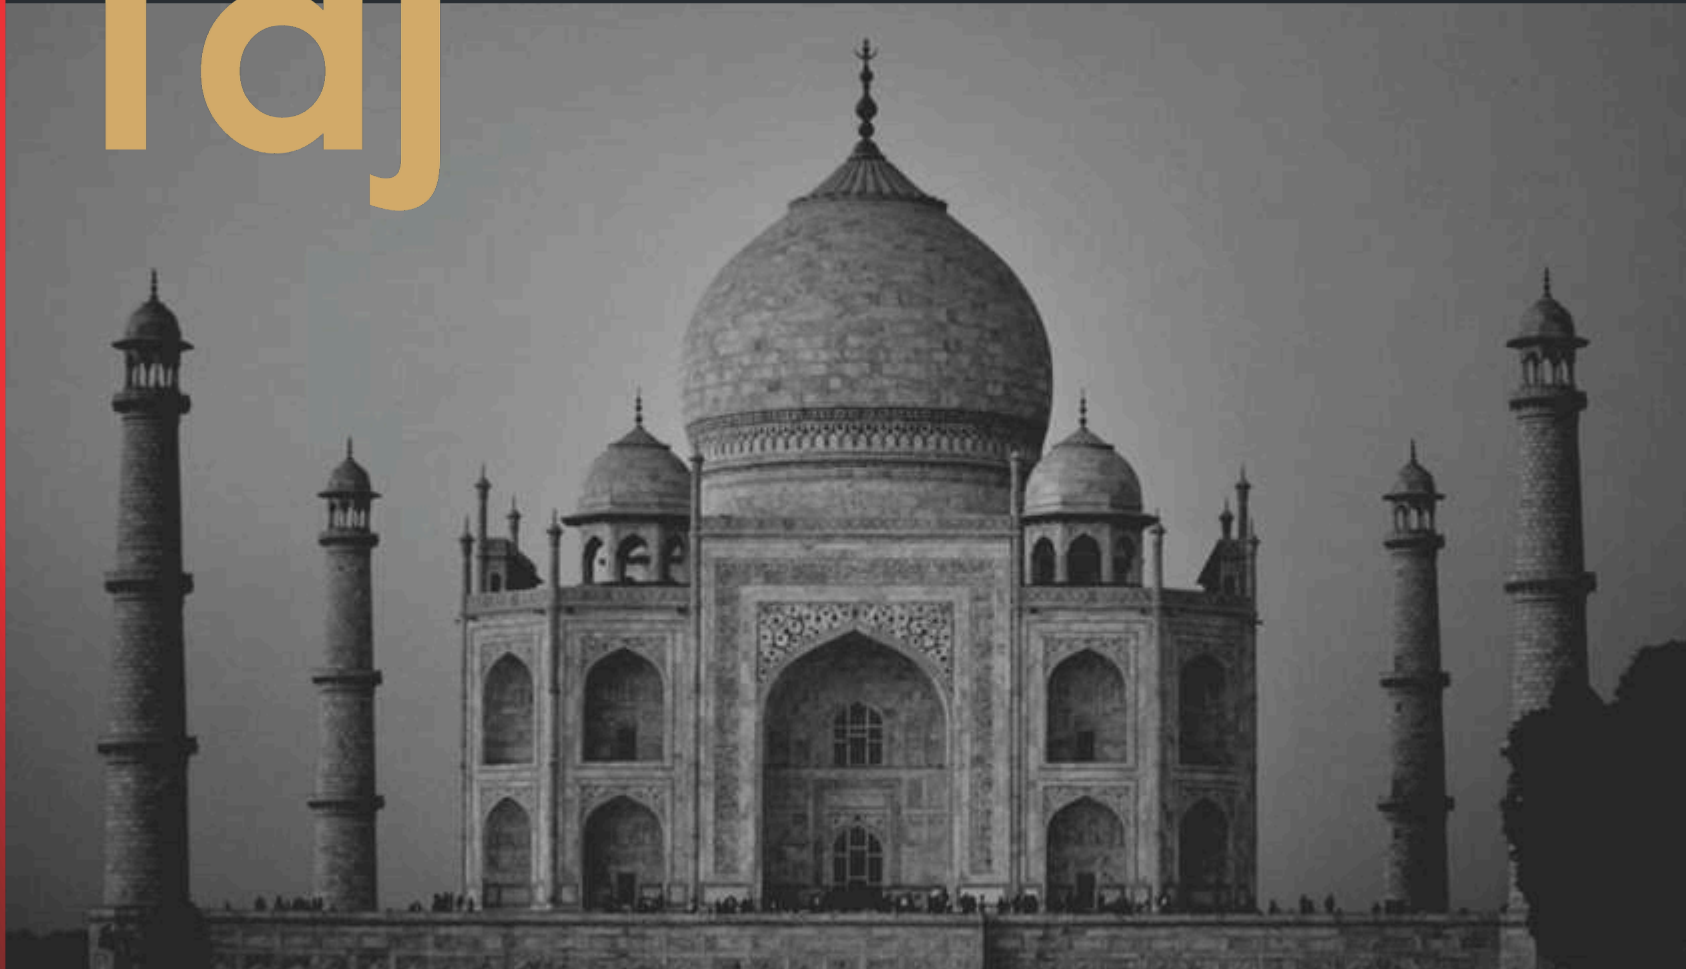

Technology in its classical form...

Our Luxury Collection is a range of classical switches with a modern twist, it is designed to meet the present day safety requirements along with a unbeatable performance. Luxury collection has been created for real connoisseur. The displayed ranges in this catalogue will reveal the excellence of quality with metallic finishes that have not been seen before, our R& D team has put in their best efforts in creating these beautiful ranges which will give a new look to the interiors for years to come. Luxury collection is like a piece of jewellery, the installation of these switches will make you proud of your beautiful home and your exquisite taste. Luxury collection might be a little bit expensive but when you go deeply into the technical features, you will definitely appreciate our inputs and would agree that we are giving you the best value for your money. Being the oldest switch makers of India, we are proud to say that our plant is one of the best equipped to produce the superlative products. In spite of all this, we have not left our old traditions, as we still have a highly dedicated team engaged in the quality control and hand testing. Each and every switch or article is hand tested before leaving our manufacturing unit.

So when you buy our products you have surely bought the best !
